mapelor

Mapelor es la empresa sobre la que se sustenta la marca La Pajarita. En Mapelor ofrecemos conceptos innovadores, dirigidos a profesionales, para crear el mejor ambiente en la mesa, reflejo de más de dos décadas de especialización en materiales y diseños. Los productos de La Pajarita, en su mayoría de un solo uso, están disponibles en más de 30 países de todo el mundo. Somos creadores de expectación, ilusión, inspiración y sorpresa, todos ellos elementos vitales de una comida, cena o fiesta en el canal HoReCa.

Mapelor is the company upon which stands La Pajarita brand.

At Mapelor, we offer innovative concepts geared towards professionals to create the best atmosphere at the table. This is reflected by more than two decades specializing in materials and designs. La Pajarita products, mostly single-use, are available in more than 30 countries around the world. We are creators of expectation, illusion, inspiration, and surprise, all being vital elements for a lunch, dinner, or party in the HoReCa channel.

Mapelor est l'entreprise sur laquelle s'appuie la marque La Pajarita.

Mapelor propose des concepts innovants destinés aux professionnels afin de créer sur la table le meilleur décor qui soit - reflet de plus de vingt ans de maîtrise dans les matières et les motifs. Les produits "La Pajarita" - la plupart à usage unique - sont disponibles dans plus de 30 pays du monde. Nous sommes créateurs d'expectative, d'illusion, d'inspiration et de surprise, qui sont les éléments essentiels d'un repas, d'un dîner ou d'un événement festif dans le secteur HoReCa.

lapajarita®

LA MARCA COMO GARANTIA DE SEGURIDAD DEL PRODUCTO

THE BRAND AS PRODUCT SAFETY GUARANTEE

LA MARQUE COMME GARANTIE DE SÉCURITÉ DU PRODUIT

Todos los productos que fabricamos se utilizan en contacto con alimentos, por lo que las normas de seguridad son una prioridad para nosotros. Garantizamos, mediante certificados pertinentes, que toda la materia prima con la que están fabricados nuestros productos cumple con las leyes y normativas vigentes. All the products we make are used in food contact, for which safety regulations are our priority. We guarantee, with pertinent certificates, that all the raw material used in production of our products meets and follows the current laws and regulations.

Tous les produits que nous fabriquons s'utilisent au contact des aliments, voilà pourquoi les normes de sécurité sont pour nous une priorité. Grâce à des certificats pertinents, nous pouvons garantir que toute la matière première utilisée pour fabriquer nos produits est conforme aux lois et aux réglementations en vigueur.

NOS APASIONA DESTACAR EN LO QUE HACEMOS

WE LOVE STANDING OUT AT WHAT WE DO

NOUS AIMONS NOUS DÉMARQUER DANS TOUT CE QUE NOUS FAISONS

Queremos convertirnos en el proveedor nacional e internacional más atractivo, de conceptos innovadores para la mesa y soluciones de un solo uso. Nuestra ambición es aportar los mejores diseños, productos y materiales a todas las ocasiones dedicadas a la gastronomía.

We want to become the most appealing national and international provider of innovative concepts for the table and single-use solutions. Our ambition is to offer the best designs, products, and materials for all occasions dedicated to gastronomy.

Nous voulons devenir le fournisseur national et international de concepts innovants pour la table et de solutions mono-usage et le fournisseur le plus attractif. Notre ambition est de proposer les meilleurs concepts, les meilleurs produits et les meilleures matières à toutes les occasions dédiées à la gastronomie.

CAMBIAMOS DE CONDUCTA O CAMBIAMOS DE PLANETA

CHANGE OUR BEHAVIOR OR
CHANGE OUR PLANET
CHANGER DE COMPORTEMENT OU
CHANGER DE PLANÈTE

1 Convertirnos en una empresa sostenible

*Become a sustainable business.
Devenir une entreprise durable.*

¿Cómo?

- Prolongando la vida de los productos y utilizando los recursos de forma más inteligente.
- Convirtiendo los residuos en recursos para reducir a cero los desechos que se envían al vertedero. Por ello hemos conseguido el Certificado de VERTIDO 0 (ZERO WASTE).
How?
 - *Prolonging product life and using resources in the most intelligent manner.*
 - *Turning waste into resources to reduce waste sent to landfills to zero. That's why we've gotten the ZERO WASTE Certificate.*
Comment ?
 - *En prolongeant la durée de vie des produits et en utilisant les ressources de manière plus intelligente.*
 - *En transformant les déchets en ressources afin d'éliminer totalement les ordures que nous envoyons à la décharge. À cette fin, nous avons obtenu la certification ZÉRO DÉCHET (ZERO WASTE).*

2 Promover un consumo circular y sostenible

*Promote circular and sustainable consumption.
Promouvoir une consommation circulaire et durable.*

Consideramos nuestros productos materias primas para el futuro, y garantizamos que todos ellos tengan capacidades circulares. Certificamos que todos ellos están diseñados, desde el principio, para ser reutilizados, reconvertidos y reciclados.
We consider our products raw material for the future, and we guarantee all of them have circular capacities. We certify that all of them are designed, from the start, to be reused, reconverted, and recycled.
Nous considérons nos produits comme des matières premières pour le futur et nous veillons à ce que tous nos produits aient des capacités circulaires. Nous certifions que tous nos produits sont conçus dès le départ pour être réutilisés, transformés et recyclés.

Con el medio ambiente, nadie puede hacerlo todo, pero todos podemos hacer algo. Por eso, con nuestras mejores intenciones, queremos proclamar nuestros 3 objetivos para cuidar nuestro planeta:
Regarding the environment, no-one can do it all, but everyone can do something. That's why, with our best of intentions, we want to make a proclamation of our 3 objectives for caring for the planet:
Concernant l'environnement, personne ne peut tout faire, mais chacun de nous peut faire quelque chose ; c'est pourquoi avec les meilleures intentions qui soient, nous voulons proclamer 3 objectifs pour prendre soin de notre planète :

3 Proporcionar productos y soluciones sostenibles

*Provide sustainable products and solutions.
Fournir des produits et des solutions durables.*

Productos que inspiren al canal HoReCa a conseguir que los establecimientos se conciencien con el medio ambiente. Siguiendo la regla de las "3 erres": Reciclar, Reutilizar y Reducir.
Products that inspire the HoReCa channel to make establishments conscientious about the environment. Following the 3 "Rs" rule: Recycle, Reuse, and Reduce.
Des produits qui incitent le secteur HoReCa à faire en sorte que les établissements prennent conscience de l'environnement. En suivant la règle des "3 R" : Recycler, Réutiliser et Réduire.

PENSANDO EN EL FUTURO

THINKING TOWARD THE FUTURE
EN PENSANT AU FUTUR

En nuestra constante búsqueda por la sostenibilidad y la protección del medio ambiente, hemos intentado adaptar la mayoría de nuestros productos para que sean eco-responsables.
Hemos creado 3 líneas de producto que te aseguran la eficiencia ecológica certificada de cada uno de los materiales.
In our constant search for sustainability and protecting the environment, we've tried to adapt most of our products to be eco-responsible.
We've created 3 product lines that guarantee you certified ecological efficiency for each and every material used.
Dans notre quête constante du développement durable et de la préservation de l'environnement, nous avons essayé d'adapter la plupart de nos produits afin qu'ils soient éco-responsables.
Nous avons créé 3 lignes de produits qui vous garantissent l'éco-efficacité certifiée de chacun des matériaux.

MANTELES Y SERVILLETAS RECICLADAS RECYCLED TABLECLOTHS AND NAPKINS | NAPPES ET SERVIETTES RECYCLÉES

RESPECTO POR EL MEDIO AMBIENTE

Para fabricar los manteles y servilletas ecológicas que forman parte de esta familia utilizamos materiales 100% reciclados. Contribuimos a mejorar el medio ambiente utilizando materia prima desechable y reutilizándola. Además, son personalizables, y para ello utilizamos tintas 85% naturales.

To produce the organic tablecloths and napkins that make up this family, we use 100% recycled materials. We contribute to improving the environment by using discarded raw material and reusing it. Additionally, they are customizable, of course, using 85% natural inks.

Pour la fabrication des nappes et serviettes écologiques qui font partie de cette famille de produits, nous utilisons des matières 100 % recyclées. Nous contribuons à l'amélioration de l'environnement en utilisant de la matière première jetable et en la réutilisant. De plus, ces produits peuvent être personnalisés et, pour cela, nous utilisons des encres 85 % naturelles.
